

Expected UI of Hero Section Looks Like

The banner issue makes sense to changed but except banner image the design didn't match according to Figma

Expected Figma Design for Hero Bottom masking line and the spacing of About Us section

This is what we got received

A screenshot of a website for "POB TRUST". The header includes a red bar with contact information (UAN +92-21-111-762-544, +92-21-34156597, info@pobkarachi.org, hr@pobtrust.org) and social media links (Facebook, WhatsApp, Instagram, LinkedIn). Below the header is a navigation menu with links to Home, About Us, Academics, Services, Gallery, Blogs, How You Can Help, Contact Us, and a "Donate Now" button. The main content area features a large image of a modern building at night. On the left side of the content area is a "Donate Now" button with a double arrow icon. The "About Us" section follows, containing the same "ABOUT US" title and "Absolutely Free Eye Care" heading as the wireframe, along with the same descriptive paragraph. A small note at the bottom of the "About Us" section mentions "Through our flagship POB Eye Hospital in Gulistan-e-Ishaq and four campuses across".

Expected Prevention of Blindness Section

Prevention Of Blindness Impact

POB's legacy of charitable eye care in Karachi continues to grow, bringing hope and sight to communities across Sindh through its outreach programs.

What we got

Karachi : UAN +92-21-111-762-544 | +92-21-34156597 info@pobkarachi.org | hr@pobtrust.org

EVERY EYE

Deserves a Chance to See

At POB Trust, we stand by the belief that no man, woman, or child should suffer the heartbreak of blindness just because they can't afford treatment. Vision is a gift we often take for granted, but for many, it's a battle they face every day. We are here to change that.

Loss of independence
Mobility, making daily activities like walking, cooking, or self-care difficult

Increased mental health issues
Increased risk of depression, isolation, and loss of dignity due to sudden dependence on others

Economical Burden
Inability to work or earn a livelihood, leaving families financially vulnerable. Greater exposure to poverty, as medical needs rise while income declines

Rendered size: 1053 x 363 px

Expected Donation Form

The screenshot shows a Figma prototype of a donation form. At the top right, there are icons for 'POb' and 'Share prototype'. The main heading 'Donate Online' is centered above a sub-headline 'Help Us Help Them with Your Zakat/Donations/Sadqah'. Below this are four input fields: 'First Name*' and 'Last Name*', 'Email' and 'PKR' (with a dropdown arrow), and 'Zakat' (with a dropdown arrow) and '(Minimum 50)'. A large blue 'Donation Now' button is at the bottom.

What we got

The screenshot shows a website layout. At the top, there's a red header bar with contact information: 'Karachi : UAN +92-21-111-762-544 | +92-21-34156597 | info@pobkarachi.org | hr@pobtrust.org' and social media links. Below the header is a navigation bar with 'Home', 'About Us', 'Academics', 'Services', 'Gallery', 'Blogs', 'How You Can Help ▾', and 'Contact Us'. A prominent blue 'Donate Now' button is located in the center of the page. The main content area features a large image of a person smiling, followed by the text 'Together, We Can Bring Smiles to Those in Need.' and the subtext 'Your Generosity Fuels Our Mission. Providing Aid, Hope, and Love to Communities in Need.' To the left and right of this central image are sections titled 'Day 1 Highlights from the Healthcare Expo 2025!' and 'Day 1 Highlights from the M...', each containing placeholder text about the printing industry. At the bottom, there's a dark blue footer bar with links for 'About us', 'Quick Links', 'Location', and 'Social Links'.

Footer Details Matching

You need to follow these details, but the design must match the Figma. Also, the QR code is missing, the 'Donate Now' background color has been changed, and the social media links need to be updated.

The screenshot shows the footer section of the PDB Trust website. It includes a logo for 'PDB TRUST', a 'Quick Links' menu with 'Home', 'Donation', and 'About Us' options, and a text block about the organization's mission to prevent blindness. It also features a 'Contact Us' section with address, phone number, email, and working hours, along with service categories like 'Treatments & Specialties' and 'Conditions & Diagnostics'. On the right, there are links for 'Get Involved / Support Us' such as 'Donate Now', 'Volunteer With Us', 'Zakat / Charity Contributions', and 'Resources / Awareness'. Social media icons for Facebook, Twitter, Instagram, and LinkedIn are at the bottom left. A 'Donate Now' button is at the bottom right.

We have 13 services, but you are showing only 4 to 5 and it's redirecting me to their detailed page.

The screenshot shows a donation landing page with a dark blue header featuring the text 'HELP US' and 'HELP THEM WITH YOUR ZAKAT/DONATIONS'. Below the header, a message encourages donations to support eye treatment for those who cannot afford care. It highlights that over 40 million people in Pakistan are affected by eye diseases, with cataracts being the leading cause of blindness. The page displays four images related to eye health: a fundus photograph of a retina, a surgeon performing surgery on an eye, a close-up of an eye with a red needle, and a healthy eye. Each image is accompanied by a 'Donate for Diabetic Retinopathy Treatment' button, which is identical to the one shown in the Figma design. The text under each button indicates that the donation supports laser treatment and medical care to prevent vision loss caused by diabetes, and lists PKR 12,000 as the amount. At the bottom, there is a navigation bar with five dots.

We already give you a document in which we mention 5 Points for this section but still missing and image is repetitive.

Change Content of this section

Each day, many children, adults, and elderly individuals live with vision loss that is preventable or treatable but remains unaddressed due to financial hardship. Basic eye care, timely diagnosis, and simple treatments can change lives, yet access is often out of reach for those who need it most. Your donation helps bridge this gap by providing eye examinations, medical care, corrective lenses, and sight-restoring procedures. Restoring vision does more than improve health—it brings independence, confidence, and opportunity. Children can learn, adults can work, and families can look forward to a brighter future. Together, we can reduce avoidable blindness, uplift communities, and turn hope into lasting change through the gift of sight.
